

Alessandro Marchiani

*La ditta A. Marchiani nasce a Firenze nel 1960  
producendo cornici  
grezze per quadri, mobili e affini. Già dai primi  
del 1920 il padre  
dell'attuale titolare, Alessandro  
Marchiani, lavorava e commercializ-  
zava legno nel cuore di Firenze restan-  
do per anni unico nel settore  
avendo una larga gamma di legnami pro-  
venienti da varie parti del mondo.*

*Dal 1985, con la prima fiera a Bologna, SACA EUROPE, la ditta espande le  
proprie conoscenze in mercati europei e mondiali,  
restando leader nel settore della produzione e della vendita di materiale grezzo.  
I legni utilizzati, sono generalmente: ramin, ayous, pino e abete giuntato.  
Su richiesta è possibile utilizzare anche altre essenze legnose.*

*Su richiesta, l'azienda esegue sagome su disegno del cliente:  
lisce, stampate a caldo o pastellate.*

*Possiamo consegnare gli articoli del nostro catalogo in piccole  
quantità che sono pronte in magazzino.*

*The company A. Marchiani was founded In Florence in 1960  
as a manufacturer of grey-state frames and profiles  
and paintings, furniture and accessories.  
From the beginning of the 1920's, the father of  
Alessandro Marchiani, the present owner, worked and  
traded in wood in the heart of Florence, and for many years,  
A. Marchiani was the only company in its  
market sector with a large range of wood from  
various parts of the world. After the first edition  
of the trade fair , SACA EUROPE, in Bologna in 1985  
the company started*

*to grow on both the European and  
worldwide markets, remaining all the while lea-  
der in the production and sales of raw materials.*

*In general the woods used are: ramin, ayous,  
pine and laminated pine. Other essences may  
be used on request.*

*On request, the company also pro-  
duces models based on clients'*

*designs: flat, hot-printed or in  
pasta design. Small quantities of  
all catalogued articles are available  
ready from stock.*
